***Allowable Subject Matter***

1. Claims 1-19 are allowed.
2. The following is an examiner's statement of reasons for allowance: the claimed invention is allowed because the prior art of record does not teach or fairly suggest a heating device with at least first and second plate-like ceramic heating elements, which are electrically contacted on opposite flat sides by flat electrical conductors whereby on at least one flat side of the first and second heating elements is provided at least one flat electrical conductor, at least two further flat electrical conductors which are electrically insulated against one another, each of these conductors being in contact with another flat side of only a respective one of the first and second heating elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Leonid M. Fastovsky whose telephone number is 571-272-4778. The examiner can normally be reached on M-Th. 8.00 am -6.00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robin Evans can be reached on 571-272-4777. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
